Major Llewellyn Stayes Out of Convention and When Progressive Resolution Is Turned Down Takes to Street With Independent Movement.

THREE HOLT DELEGATES FAVOR ELFEGO BACA

Las Cruces, N. M., July 15.—The Republican convention held here yesterday was unique in no way and de void of enthusiasm, though a whole day was spent in the deliberations. County Chairman Peacock called the convention to order. Vincent B. May was made chairman and Capt. J. E. Reinberg of Canutillo, was made sec-retary. Both were later made per-manent. Those elected as delegates to the state convention at Santa Fe August 24 were Senator H. B. Holt. Mark B. Thompson, Vincent B. May, Franklin N. Hayner, Frank T. French, J. E. Reinberg, Jose Luceto, W. A. Sutherland, W. La Point, Antonio Barneastie, W. A. F. Jones, and Proc. iliano Moreno.

Resolutions pointing with pride to the official career of Senator Holt, Representatives W. H. H. Llewellyn and Preciliano Moreno, and the county commissioners were passed, as those deptoring the Wilson regime, blaming it with all occurrences but the European war. Singularly, no denouncement was made of Congressman Fergusson. Next a resolution purporting to be Progressive in tendency was offered by Mark B. Thompson, who lays claims to being a Progressive. Loud objections were made County School Superintendent Hayner, both of whom objected to the in-troduction of Progressive measures and particularly to a clause declaring the convention to be for harmony and for uniting on the man that could and would wold the factions of the party into one harmonious whole. Mr. Thompson conceded changing man" to "a man," but this would not satisfy those adverse to the measure and finally the whole clause was struck out, and thus emasculated, the esolution passed with not a word of Progressivism in it.

The delegates were not instructed and while it is known they are not united for Elfego Bacs, he has three friends among the delegates: Holt. Sutherland and La Point, while P. Moreno is favorable to Andrews.

It is claimed here by Republican that the entire delegation will go to the candidate endorsed in the convention by Colfax, Mora and Unfor countles.

Major Liewellyn Absent.

Major William Henry Harrison Liewellyn was not present at the conpublican primary in his own or any other ward. The major favored Progressive measures and men in preliminary juntas insisted on the adoption of the entire Progressive platform and a resolution declaring for Theodore Roosevelt for president in 1916. Sheriff Felipe Lucero, acting for Senator Holt and others was conciliating and desirous of securing the major's consent to his own nominstica for the legislature but he would have none of it. He insisted "the Republican party to regain When the news came out of the assembled convention at 4 o'clock that

Attorney Letten Teylor, the Progressive chairman and Moses B. Stevens, secretary, have taken no action as yet beyond netifying Progressives a week ago that a county convention would be called to nd delegates to Belen to the state convention with no date yet set for primaries and convention. Major Liwellyn believes two representatives will be sent by the Independents and Progressives to the legislature and it is said is now steadily working to that end since the the Republicans tailed to favor them by resolution in their convention yesterday
